# COVID Security

## School measures

- The use of a mask will be obligatory from Y2 upwards.
- We will stagger the drop off and pick-up times to avoid crowding at the entrances
- We will have hand sanitizers at the entrance and in every classroom.
- The classrooms will be cleaned and disinfected every day.
- The desks will be cleaned after every session.
- We will respect the “Bubbles” already in place from school.
- The teachers will move from classroom to classroom, the children will stay in their own space.
- Teachers will adhere to strict protocol for their own protection (masks, washing hands etc..) and check temperatures every morning.

## Measures for parents

- Every morning you will check the temperatures of your children and of the family they are in contact with. No child with a temperature of more than 37.5 or any symptoms can be in the school.
- Children will bring in individual water bottles and snack boxes and take them home every day to be cleaned.
- Make sure your child brings an appropriate mask to school (Y2 to Y6)

**100% Refundable in case of Covid**

If before the start of the camp any student tests positive for Covid, the entire amount paid will be refunded on presentation of a medical certificate.

# Enjoy an Unforgettable Easter!

A safe camp
